SECOND ERRATUM TO NOTICE OF PROPOSED RULE MAKING

Released: May 7, 1999

By the Chief, Auctions and Industry Analysis Division:

This Erratum makes a minor correction to the caption of the *Notice of Proposed Rule Making* (*Notice*) in the above-captioned proceeding, FCC 99-52, which was adopted on March 19, 1999 and released on March 25, 1999. The caption is corrected to add RM No. 9405, which is the file number assigned to a Petition for Rulemaking filed on August 14, 1998, by UTC, The Telecommunications Association, American Petroleum Institute, and the Association of American Railroads.¹ The Commission noted the filing of this petition for rulemaking in a November 23, 1998, *Public Notice*.² Paragraph 41 of the *Notice* seeks comment on a proposal included in this petition.

The *Notice* has not yet been published in the FCC Record. Accordingly, the corrected caption set forth herein shall be incorporated into the *Notice* prior to such publication. This erratum will be published in the Federal Register.
